TRISHAUTOGRAPHS NOW OFFERS VINTAGE VINYL ALBUMS

The Beatles, Elvis, and The Doors are just a few!

Trish Hessey, owner of www.trishautographs.com has acquired nearly two hundred original vinyl albums of valuable mention. Two large boxes containing roughly two hundred albums was recently opened and examined and we found quite a few nostalgic vinyl albums. As we go through these albums and try to determine their value, we will be posting them to the new category created at www.trishautographs.com, this category can be found on the homepage and is listed as "Vinyl Albums".

Unfortunately two of the vintage Beatles albums were written on by the original owner, in pen the names of each member were written above each photo of the album, ultimately destroying the value and appearance. "I'm sure it mean much more to the original owner", but now it is worth only valuable memories to whomever the original owner may be".

Although many of the albums are not of much value, they may be worth more to someone of particular who collects them, such as "Homer and Jethro", or "50 Guitars go South of the Border". For this reason, you can email trish@trishautographs.com or call 909-484-8322 for a complete list of these albums to see if there is something on there that may interest you. Also, if you have any vintage albums of your own that you wish to part with, you can sell them on consignment on www.trishautographs.com and make some extra money!

Visit the Vinyl Albums Category today and check out these vintage classics, here are a few cool albums: "The Mamas and Papas", "Neil Diamond", "The Beatles", "Elvis", "The Doors", "Chicago", "Nat King Cole", "The Doobies", "The Beach Boys", and many many more!
