TRISHAUTOGRAPHS ANNOUCES NEW ITEMS FOR SALE

Steve McQueen Autographs for sale

Trish Hessey, owner of www.trishautographs.com has acquired several new autographs of valuable mention. From a box of index sized cards containing several hundred autographs from a personal collection spanning approximately 40 years, were several notable names, two of which happen to be Steve McQueen. The two pictures of the Steve McQueen cards autographed can be viewed now at www.trishautographs.com and at the blog site as well, www.trishautographs.com/blog

“We are in the process of trying to track down the original owner of this small treasure chest of autographs, so many of the cards have been personalized to a man named “Bob””. “The box of autographs has been loaned to us on consignment and is currently in my possession for examination and appraisal.” “Not only did we find two autographed Steve McQueen index sized cards, but so many other names such as Hugh Hefner, Linda Lovelace, Rock Hudson, Grace Kelly, and many more.”

“All of these autographs should be made available soon to the public, other collectors and of course my immediate customers.” As the process continues to identify valuable autographs from this box, they will be one by one marketed by emails, posted to the site, and posted for discussion on the blog at www.trishautographs.com/blog

For a copy of the list of the more than several hundred autographs acquired, please email Trish directly at trish@trishautographs.com or post a comment on her blog today. Along with requests for names that are on the list, requests for pictures of these autographs shall also be accommodated upon request.
